Standard Guarantee of the American Shorthorn Breeders' Association

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's Disease of the state or country into which they may be shipped.

6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves will be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.

7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off.

8. This shall constitute a contract between the consignor of each lot and its respective purchaser, without involving the interstate association, its officers, directors, or the sale manager.

Invitation

We most cordially invite every one to the first North East Iowa Sale.

There is a promising future confronting the progressive minded breeder of Shorthorns and Polled Shorthorns. More farmers are starting Shorthorn operations and we have begun to get into the big commercial bull market. The demand for Shorthorn seed stock has never been better.

We welcome all breeders and farmers to attend the Sale and are sure you will find a bull or female that will fit into your herd.

It has been a great pleasure to work with the North East Iowa Shorthorn Breeders. They are offering a nice lot of cattle both in breeding and individuality. Most of the bulls are of breeding age, a very good lot of females, wonderful cows with calf combination, and young heifers that will do well in any herd.

Where footnotes appear in this catalogue, they were furnished by the consignors. We assume no responsibility for accidents to any person or property, but utmost care will be taken to avoid it.

GLADLON'S M SECRET - After much deliberation we decided to sell this heifer; only because we have two full sisters at home. This heifer was shown with much success in 1958 and we are showing her again this year. As this catalogue goes to press she hasn't been defeated. She was bred on June 10th to Susanna Basis 12th. If you want to add a female to your herd you certainly won't make a mistake by buying her.

MARY ANN OF LANCASTER 79TH - A beautiful roan heifer sired by our Senior Herd bull Braywood Souvenir 9th that sired a Reserve Champion Female at Hawkeye Downs sale for us in 1956. A heifer from the same Mary Ann of Lancaster family was Reserve Champion Female at Hawkeye Downs last spring. She is just the type of heifer that we would like to keep in our herd.
